VETERAN CERTIFICATION POLICY**

Dear Applicant:

North Central Area Transit participates in the Elderly, Disabled and Temporarily Disabled, and Veteran Program of the Ohio Department of Transportation and the Federal Transit Administration. This program permits transit systems to offer half-fares to those eligible for rural transit and transports within the county.

Each person who wishes to be considered for the half-fare elderly, disabled, temporarily disabled, and veteran program must complete a brief application in order to be certified. The E&D coordinator for North Central Area Transit will accept the application, view the acceptable documentation and sign and date the application form. **Passengers will be notified only if they are not accepted in this program.**

This certification is valid for disabled for a period of two years and passengers must be re-certified if they wish to continue in the program. Certification for the temporarily disabled is valid for a period of sixty days and passengers must be recertified to continue in the program. Disclaimer: This program is valid as long as the funding is available.

The documentation required to be provided to NCAT for persons 60 years of age and older will include a driver's license, birth certificate or any document generally accepted to show age.

The documentation required for disabled persons to be eligible will include a copy of your state ID, SSI or Social Security Disability determination letters, or proof of enrollment in a Sheltered Workshop program.
